

Camper-Camper Contact Information

We recognize that campers develop close, trusting relationships with one another at camp and that these relationships are healthy, wholesome and beneficial. We also recognize that it is natural for campers to want to keep in touch with their friends after camp. As a camp we do not take responsibility for what may occur as the result of such contact. However, if a parent or legal guardian wishes their child to exchange such information with fellow campers, the parent or legal guardian must sign a written form expressly granting this permission and accepting full responsibility for whatever may occur as a result.
